

Resources for Including Children with Special Needs in Child Care Settings

New Jersey MAP to Inclusive Child Care

VISION: All children in New Jersey will have equal access to affordable, high quality, developmentally appropriate and culturally competent child care.

PARENTS
are your best
source of
information

Project Child Find

Identifies children with a delay or disability from birth to 21 and provides information and referrals for parents.

1-800-322-8174 / www.state.nj.us/education

Special Child Health Services

Provides county-based case management services for children with special needs from birth through 21 years of age.

609-777-7778

www.state.nj.us/health/fhs/sch/sccase.shtml

Specialized Pediatric Services:

www.state.nj.us/health/fhs/sch

NJ Early Intervention System

Statewide system of services for infants and toddlers, birth to age 3, with developmental delays/disabilities and their families.

1-888-653-4463 / www.nj.gov/health/fhs/eis

NJ Child Care Warmline

Provides practical, accurate information on relevant health and behavior issues for Family Child Care Providers and Child Care Center staff. During business hours, a Warmline nurse can be reached by hitting the star key. Automated information is available 24-7.

1-800-713-9006 / www.programsforparents.org

NJ School-Age Care Coalition (NJSACC)

Provides an annual conference, training, and telephone and on-site consultation to school-age child care providers.

908-789-0259

NJ Inclusive Child Care Project (NJICCP)

Located at the Statewide Parent Advocacy Network (SPAN)

Funded by the Department of Human Services (DHS), the project provides free regional trainings and telephone and on-site consultation to child care centers and family child care providers.

1-800-654-7726 ext. 108 / www.spannj.org/NJICCP

New Jersey Department of Education Division of Early Childhood Education

Programmatic responsibility for preschool through 3rd grade programs funded by public schools

609-777-2074 / www.nj.gov/education/ece

Child Study Teams

Identify and evaluate students ages 3-21 for special education programs and services. School staff and parents develop an Individualized Education Program (IEP) for eligible students.

Call the school district where the child lives.

http://web.njcu.edu/sites/nptnj/Content/county_offices_of_education.asp

Professional Impact NJ

Provides scholarships and incentives for professional development, support for accreditation and mentoring, policy development, and statewide systems building. Houses the NJ Registry for early childhood professionals.

908-737-4240 / www.pinj.org or www.pinjregistry.org

Child Care Resource and Referral Agencies

Provide an array of early care services in each county. Services for parents include child care subsidies, referrals to child care programs, and education on quality care. Services to professionals include data collection and dissemination, opportunities for professional improvement and training, technical assistance, and on-site visits by infant toddler specialists.

Call the agency in your county. Phone numbers for each county agency are listed on the NJACCRRRA or DHS websites or the accompanying child care agency list.
