

Application form

Please complete all required fields. Attach additional pages if more space is required.

Organization name:

Address (include City and Zip):

Contact person and title:

Email:

What community does your program serve?

How many children does your program serve?

How many staff work for your program?

Describe your organization (nonprofit, public school, local government agency, etc):

Does your organization currently provide snacks or meals using National School Lunch Program, Seamless Summer Option, Summer Food Service Program, School Breakfast or Child and Adult Care Food Program?

- Yes
- No

If 'yes', please provide a description of your current feeding program. Be specific about which program you utilize, the number of sites, the meals you serve (snack or full meal, hot or cold) and the number of young people served):

Amount (\$) of grant request:

What are your proposed goals?:

- becoming an approved sponsor for the first time
- adding new meal sites
- adding service days (such as adding additional service days during the school week or by serving meals on holidays or weekends)
- increasing total meals at existing sites
- change or add a new meal service (such as changing from snacks to full meals)
- providing year-round meal service (such as summer meal providers adding afterschool suppers)

Please provide a brief explanation of your goal. Be specific: include names of sites, number of children served, date when meal service will begin, etc. If you currently provide meals and are adding sites or capacity at existing sites, be specific about the additional number of children served.

What are your proposed expenses?:

- Foodservice equipment
- Inspection fees/related repairs
- Transportation related expenses
- Enrichment/educational activities or supplies
- Kickoff or Celebration Events (limit: \$500)

Please provide a brief explanation of your expenses. Be specific.

Quality afterschool programs utilize community partnerships to provide high quality programming for youth. Please describe any community partnerships:

How will you communicate with families and the community about your program and meal service?
