ARMANROY
FOUNDATION

The 2023 Arman Roy Foundation Scholarship

Apply to Attend a Weeklong Tech Camp at Princeton University this Summer!

We are excited to announce our 2023 scholarship in partnership with iD Tech, a company that has been providing access to world-class STEM learning experiences for 23 years.

The Arman Roy Foundation has been committed to bridging the digital divide for the last 4 years in honor of Arman Roy, a young man with a passion for technology. We are proud to partner with ID Tech for a 2nd year to provide this opportunity for underserved youth ages 13-17.

iD Tech Camps®

iD Tech Overnight Course Options Include VR Design, Python Coding, Java Coding, Battlebots: Robotics and much more!

[Learn more](#)

Only select courses that have a "moon" for overnight stay 

If you are awarded a scholarship you will receive:

- Your choice of a 1 week (5 days) iD Tech overnight summer camp at Princeton University
- All meals. Sun 6pm-Fri 3-3:30pm. (First meal Sunday night. Last meal Friday lunch.)
- Dedicated Instruction with only 8-10 students per class
- An opportunity to present your final project to the Arman Roy Foundation Board of Directors
- A great learning experience in an inspiring college setting and a chance to make new friends and mentors!

Eligibility

- Your Invitation to apply Is not transferable
- Be an underserved or underrepresented student ages 13-17.
- Reside in New York or New Jersey
- Have a desire to learn tech. No prior experience is required.
- Have transportation to and from Princeton University at the beginning and end of the program (Sunday-Friday)

Why iD Tech

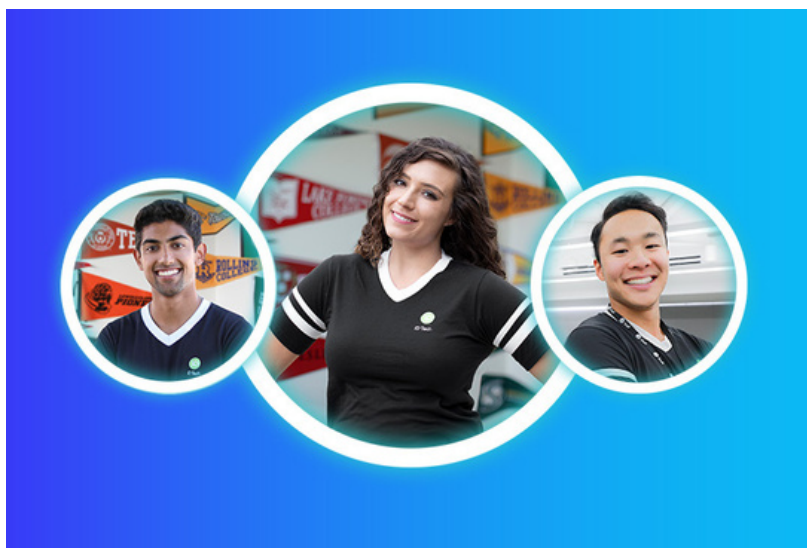

We live and breathe EdTech.

- The only online tech educator with 20+ years of experience.
- **Silicon Valley-based** family company that has perfected the art of in-person and online education.
- **Proprietary curriculum** designed to engage students and build their confidence with tech.

Tech Rockstar Instructors

We retain our finest staff from our worldwide programs to teach online.

- **Stanford, Caltech, NYU:** Our elite talent comes from the top universities.
- **Meticulous** background and reference checks.
- **All-adult instructors** (no high schoolers or Counselors-In-Training).

“Arman had an extraordinary gift for technology, and his dream was to create opportunities for others less fortunate to enjoy the same wonder and opportunity of tech. We are grateful for our amazing partner iD Tech for celebrating Arman’s life, and helping us carry forward his dream through this scholarship.”

Manisha R., Arman’s Mother
Founder & Chairperson – **The Arman Roy Foundation**

Apply today.

Deadline is April 21, 2023

Scholarships will be awarded on or around May 1st.
