

PLAY VIDEO GAMES FOR RESEARCH!

OPPORTUNITY FOR YOUTH AGES 7-17

JOIN THIS STUDY

To join this study, your parent/guardian will need to sign you up.

COMPENSATION

A drawing will be held each week for participants who complete a game session. The prize will be a \$50 Amazon gift card. Participants can complete up to three game sessions.

The University of California, San Francisco (UCSF) is looking for students to participate in a game-based study of students' attention and memory skills. You will need access to a desktop or laptop to play our games.

REGISTRATION

Parents/guardians can register participants at https://nexus.ucsf.edu/register/neuroscape?participant_group=ace_validation or scan the QR code for instructions.

Once registered, the parent/guardian will be asked to fill out an intake form after which participants can begin the study activities.
